An institutional code is NOT required. Please contact the test center directly where you took the IELTS test and request that your test scores be sent electronically using the IELTS system to Texas A&M University, PO Box 40002, College Station, TX. Please note: there may be multiple addresses on file for the same university. Be sure you reference the PO Box 40002 address.

**5. Official transcripts** – Submit all official senior secondary or high school transcripts for all coursework completed and diploma according to the educational system of your country (minimum of the last three years of senior secondary education). Electronic upload using the Applicant Information System (AIS). (Faxed or emailed copies will *not* be accepted).

If you transferred your foreign credits to a US school and your foreign transfer credits and grades are listed on the US transcript, then you must submit a SRAR..

If you have graduated from high school/secondary school an official final transcript is required; it must include senior courses and the date of graduation. If completion of secondary school in your country is contingent on passing an external national exam, an official exam certificate must be submitted along with your final transcript. The final transcript and high school diploma will **not** be accepted via upload. Final official transcripts and proof of graduation must be submitted via TReX, postal mail, or in-person.

**6. Essay Topic** – Applicants are required to complete Essay Topic A.

**7. Document ID Sheet** – While most documents can be provided electronically or uploaded via our Applicant Information System, please include the appropriate Document ID Sheet with all documents you submit by mail in support of your application. This will help ensure that your documents are processed in a timely and efficient manner,

**Where do I send my application materials?**

The address specific to international documents is:  
**International Admissions Processing**  
**Texas A&M University**

**General transcript information**

**How do you handle incomplete transcripts?**

If you are currently enrolled in your final year of senior secondary education when you submit your application, you are required to submit official transcripts for the completed years by the application closing date, this may include in progress coursework. The final transcript and high school diploma should be submitted upon completion of studies.

**Which transcripts do you require?**

If you attend more than one senior secondary school, we require an official transcript from **each** school, including U.S. accredited high schools.

**What makes transcripts official?**

Transcripts are considered official if they have an original signature of a school official or an original school seal. Accepted signatures include the Registrar, Principal, Controller of Examinations or The Ministry of Education. We will accept documents that have been stamped as official by the embassy/consulate. Final transcripts from U.S. institutions must be sent directly from the institution. Photocopies or other duplications of a transcript, such as notarized, faxed or scanned copies are not considered official. GCSE/IGCSE – level Statement of Results and A-level Statement of Results are considered unofficial. The most current information can be found here: [admissions.tamu.edu/international/freshman](http://admissions.tamu.edu/international/freshman)

**What about transcripts not in English?**

Applicants from an institution that does not issue a transcript in English must submit the official native language transcript with an official English translation. Official translations are prepared by a recognized translator and include all original seals and/or signatures; photocopies are not accepted.

**Do you accept education evaluations?**

**Transcript evaluations** from an evaluation service which is a member of the [National Association of Credential Evaluation Services](http://National Association of Credential Evaluation Services) **are recommended and will be accepted.** We recommend a document-by-document evaluation (with a GPA) for high school credentials from non-U.S. institutions. Credentials received from a credential evaluation service will be evaluated by staff and must meet all other admission credential requirements. As a reminder, credentials issued in a language other than English must include a word for word English translation, performed by a recognized translation provider, in addition to the credential evaluation. Credential evaluations will not be considered as a translation or a substitute for required transcripts

**What should I do with incomplete exam results from Grade 13 and Form 6?**

Applicants whose educational system includes Grade 13 and Form 6 should submit all results completed at time of application, as well as a listing of currently enrolled courses.
